A more limited production offering, the 2008 Cabernet Sauvignon Reserve is composed of 80% estate Cabernet Sauvignon and 20% estate Cabernet Franc. Sadly, only 270 cases were produced. Possibly one of the finest wines Michael Keenan has yet made, it has just about everything one could desire in a Cabernet Sauvignon, including good minerality, floral, red, black and blue fruit notes, great equilibrium, stunning concentration and length, and an overall sense of purity and personality. In short, it possesses soul and delivers the goods. Approachable now, it should continue to drink well for 20-25 years. Tel. (707) 963-9177; Fax (707) 963-8209
